क्रमांक /Ref. No.- 3/2022/MARB/General Matters

दिनांक/ Date: 25.07.2022

To,

The Principal/Dean/Director of all ASU&S colleges

**Sub:- Prevention of submission of affidavit by the teaching faculty in two colleges for the same academic year-reg.**

Sir/Madam,

It has come to the notice of NCISM that teachers who were working in one college got relieved after submitting the affidavit for that academic year and joined another institution declaring that he/she has not presented himself/herself as a teacher at any other institution for the same particular academic year.

It has also been found that mostly migration of the teachers are seen during the period of visitation and these teachers have been found resigning from the existing ASU&S colleges after attending the inspections conducted by the Commission for that Academic Year and joining other ASU&S colleges in the same academic year. This creates conflicts and duplicity of affidavit /declaration by a teacher in the same academic year and disturb the academic functionality of the Institute.

Therefore the teaching faculty migrating from one college to another college would be counted at only one college for the said academic year wherever he / she appeared at the time of visitation and has submitted the notarized affidavit and hence shall not be considered in the second college as they have already appeared in the first college visitation and submitted the notarized affidavit for that particular academic year.

Therefore it is informed to all the new ASU&S Colleges especially who have applied under 13A of IMCC Act 29 of NCISM Act for academic year 2022-23 not to entertain / appoint any such teachers who have submitted their affidavit /appeared in the visitation at another college for that academic year 2022-23.
