## PUBLIC NOTICE

16 July 2023

**Postponement of all India Ayush Post Graduate Entrance Examination (AIAPGET) 2023 for admission to post-graduate AYUSH Courses for the academic session 2023-24**

Dear Students,

We regret to inform you that the upcoming postgraduate examination, scheduled to take place on 31 JULY 2023, has been postponed until further notice. This decision comes as a result of recent developments concerning the inclusion of students from certain states, which have been subject to a stay order issued by the High Court of Rajasthan.

The High Court has granted a stay order on the examination due to concerns raised by students from the aforementioned states, who claim that they have been excluded from the examination process. The court has deemed it necessary to review and address these concerns before proceeding with the examination.

We understand that this announcement may cause inconvenience and uncertainty among many of you who have been diligently preparing for the examination. We assure you that we are actively working to resolve the issue and resume the examination as soon as possible.

We are committed to ensuring a fair and inclusive examination process for all students. Therefore, we are collaborating with the concerned authorities and the court to address the matter promptly and implement any necessary changes to rectify the situation.

We apologize for any inconvenience caused by this postponement and understand the frustration it may bring. We kindly request your patience and cooperation during this period. We will keep you updated on any further developments regarding the examination through official channels, including our website <https://nta.ac.in/> and notice boards.

Please be assured that we are committed to upholding the integrity and fairness of the examination process while considering the concerns of all students. We appreciate your understanding and cooperation in this matter.

Thank you.

(Dr. Sadhana Parashar)  
Sr. Director (Exams)
