Subject:- Withholding of Teacher Code and Restriction on Engagement of Faculty in your Institutions-reg.

Sir/Madam,

It is hereby informed that the hearing of the below-mentioned faculty members was conducted by the MARBISM. Upon consideration of their submissions and the records available on record, it has been established that the said individuals were engaged as **on-paper faculty members** and were not actually discharging their duties as teachers in the concerned institutions.

Accordingly, their **Teacher Codes have been withheld for a period of one year**. During the period of such restriction, they shall not be permitted to work as a teacher or in any other designation forming part of the hospital staff in any medical institution under the purview of NCISM.

In view of the above, all concerned institutions are hereby directed **not to engage or show the services of the proven on-paper teachers** for the purpose of seeking permission from MARBISM/NCISM. Such individuals shall not be considered eligible teaching faculty for the purpose of assessment or issuance of permission during the period of restriction.

Further, any teaching experience claimed, acquired, or shown during the period of such restriction shall **not be counted towards teaching experience** for the purpose of assessment under the applicable regulations.

It is further informed that the list of additional faculty members found to be involved in similar violations shall be communicated separately in due course.

All concerned institutions are, therefore, advised to ensure **strict compliance with the above directions**. Any deviation or non-compliance shall be viewed seriously and dealt with in accordance with the applicable rules and regulations.
